Commissioner for Patents

See "Requirement for Information under 37 CFR 1.105" (attached hereto).

Jeffrey A. Smith
Primary Examiner
Art Unit: 3625

Requirement for Information under 37 CFR 1.105

Applicant and the assignee of this application are required under 37 CFR 1.105 to provide the following information that the Examiner has determined is reasonably necessary to the examination of this application.

The following information is required because such information has been determined to be reasonably necessary in order to properly examine or treat the matters which relate to publication of the claimed invention, the "readiness" of the claimed invention for patenting, and/or activities involving the claimed invention prior to March 7, 1996. Such information is required in order to determine the extent of any publication, to assist in determining whether the claimed invention was "ready for patenting", and/or to assist in determining the nature (permissible or otherwise) of any activities in view of 35 USC 102(b).

The following Exhibits (identified in the previous Office action mailed June 3, 2005) contain descriptions of information, not available to the Examiner, which appear have been available to the public prior to March 7, 1996:

Art Unit: 3625

Exhibit E indicates that "[a] detailed description of how Clickshare (SM) works is available". The Exhibit also indicates "additional marketing information" may be requested.

Exhibit J indicates that "[a] diagram depicting the Clickshare (sm) system may be viewed at: <http://www.newshare.com/News/chart.html>". The Exhibit also indicates that "a more detailed text description of Clickshare (sm) benefits and operation" is available by visiting "<http://www.newshare.com/Clickshare/overview.html>".

Exhibit K indicates that "a copy of this presentation will be available on-line at: <http://www.clickshare.com/kelsey/>". The Exhibit also indicates that a "Publisher Enrollment Packet [is] available at: <http://www.clickshare.com/pubpack/>".

Exhibit L indicates that "Clickshare, the micro-transaction technology, is available to anyone who wants to enroll as a member and abide by the terms of the membership agreement".

In response to this requirement, please provide copies of:

- a) the detailed description of how Clickshare (SM) works referenced in Exhibit E;
- b) the additional marketing information referenced in Exhibit E;
- c) the diagram depicting the Clickshare (sm) system for view referenced in Exhibit J;
- d) the detailed text description of Clickshare (sm) benefits and operation referenced in Exhibit J;
- e) a copy of the presentation referenced in Exhibit K;
- f) the Publisher Enrollment Packet referenced in Exhibit

K; and

g) the membership agreement referenced in Exhibit L.

In responding to those requirements that require copies of documents, where the document is a bound text or a single article over 50 pages, the requirement may be met by providing copies of those pages that provide the particular subject matter indicated in the requirement, or where such subject matter is not indicated, the subject matter found in applicant's disclosure.

The fee and certification requirements of 37 CFR 1.97 are waived for those documents submitted in reply to this requirement. This waiver extends only to those documents within the scope of the requirement under 37 CFR 1.105 that are included in the applicant's first complete communication responding to this requirement. Any supplemental replies subsequent to the first communication responding to this requirement and any information disclosures beyond the scope of this requirement under 37 CFR 1.105 are subject to the fee and certification requirements of 37 CFR 1.97 where appropriate.

The applicant is reminded that the reply to this

Art Unit: 3625

requirement must be made with candor and good faith under 37 CFR 1.56. Where the applicant does not have or cannot readily obtain an item of required information, a statement that the item is unknown or cannot be readily obtained may be accepted as a complete reply to the requirement for that item.

This requirement is subject to the provisions of 37 CFR 1.134, 1.135 and 1.136 and has a shortened statutory period of 2 months. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
